

The Journal of the Pharmacy Society of Wisconsin **2021 Editorial Plan**

Editor's Note: This plan has been developed in collaboration with PSW staff, the Editorial Advisory Board, and reader feedback. Each of the six issues scheduled for publishing in 2021 will have a general theme and submission deadline (Table 1.). The purpose of this is to provide authors an opportunity to plan ahead and contribute based on their expertise.

Not every article in these issues will be or needs to be focused on the theme listed.
