

## ***The Journal of the Pharmacy Society of Wisconsin*** **2022 Editorial Plan**

Editor's Note: This plan has been developed in collaboration with PSW staff, the Editorial Advisory Board, and reader feedback. Each of the six issues scheduled for publishing in 2022 will have a general theme and submission deadline (Table 1.). The purpose of this is to provide authors an opportunity to plan ahead and contribute based on their expertise.

**Not every article in these issues will be or needs to be focused on the theme listed.**
