

# DECKER-TEMPLE PHARMACY LEADERSHIP CONFERENCE

PRESENTED BY

## Applications Open: 2025 Decker-Temple Leadership Pharmacy Conference

The [2025 PSW Leadership Pharmacy Conference](#) will take place July 30 - August 1, 2025, in Galena, Illinois. The conference, combining professional and social functions over three days, provides an unequalled opportunity for pharmacists relatively new to their profession to develop skills which enable both personal and professional growth. Participants network with fellow selected pharmacists (10 from Wisconsin and 10 from Iowa) as well as the presidential officers and staff leaders of the Iowa Pharmacy Association and Pharmacy Society of Wisconsin while engaging in programming, recreational activities, and issue discussions.

Current PSW pharmacist members within their first 3-15 years of practice who reside and/or practice in Wisconsin are eligible to apply. Pharmacists who are currently a PGY1 or PGY2 resident are not eligible to apply, but are encouraged to apply at a later time. PSW welcomes applications from those who represent diversity in race, color, ethnicity, culture, national origin, sexual orientation, age, gender, gender identity, social class, physical ability/attributes, religious or ethical value systems, language, pharmacy practice area, geographic location, and other perspective shaping backgrounds.

Applicants must demonstrate clarity and vision in responses to application questions. All eligible applications received prior to the due date for submission are reviewed by a panel using a de-identified process. The review panel typically reviews over 50 applications for the conference and ultimately selects ten (10) participants from Wisconsin. Those applicants not selected are encouraged to submit an application the following year.

The [application](#) for the 2025 PSW Leadership Pharmacy Conference is due February 1, 2025.
